Subject: Tax-Exempt Bond an 4% Tax Credit Applications

Deepak Sulakhe called and informed me that Southwest Housing does intend to go forward with Rosemont at Daniieldale and the ISSUER notification along with the tax credit application must be received by TDHCA by 5:00 P.M. today. Deepak said that the Volume 1 and Volume 2 with evidence of site control has been over-nighted to Shannon Roth at TDHCA for today's delivery.

In addition, Southwest Housing also intends to go forward with Rosemont at Laureland which Rob Lecha said would get notification today. That should give use three full business days (until Tuesday, August 24th by 5:00 P.M.) to get the ISSUER notification, the Volume 1 and Volume 2 of the tax credit application with evidence of site control to TDHCA.

To: Lennie Vilicic and Dru Childre

Please forward a copy of the Volume 1 and Volume 2 of the tax credit application to me (you can E-Mail it if that is possible). Also, please E-Mail to George Rodriguez at grodriguez@velaw.com.

Three days after the reservation date we will need \$10,000 for each application payable to The City of Dallas Housing Finance Corporation and \$15,000 for each application payable to Vinson & Elkins.

Thank you.
